#### TOWNLAND'S BRUNEI AWARDS

- **FIRST PRIZE (2016)** in an **International Design Competition** for river revitalisation works along the Kedayan River in Brunei that will form the 8.2 ha Brunei Palatial Waterfront Park. TOWNLAND acted as Landscape Architect for the Competition Design Stage of this Park's development, together with Bruneian Construction Company LSL, Sdn. Bhd. and Engineering multi-national Consultant, SMEC. The Jury, steered by Jabatan Kerja Raya, the Public Works Department of Brunei Darussalam, applauded TOWNLAND's landscape concept design as '*culturally appropriate and a celebration of Brunei's way of life*'. The landscape concept showcases Brunei's treasured heritage and will be an accessible and interactive public park and tourism destination for all ages, backgrounds and nationalities. Based on classic Islamic principles of space and hierarchy, it is modern and educational, with a variety of life-style oriented entertainment facilities.
