Position: Principal / Senior Landscape Designer

Location: Jakarta, Indonesia

PT Townland International is part of the TOWNLAND Group, a leading international multidisciplinary planning and design consultancy. The Group provides professional services in urban and regional planning, master planning, urban design, landscape architecture, architecture, and related disciplines to governments, public agencies, and private-sector property developers in Indonesia, Hong Kong, the People's Republic of China, India, and across the Asia-Pacific region.

TOWNLAND is seeking a **passionate, design-led Landscape Architect** to support our expanding workload in Indonesia and the wider region. We are looking for exceptional design flair, creative vision, and the ability to transform bold ideas into distinctive, sustainable, and buildable places.

Qualifications and Attributes

- A Bachelor degree in Landscape Architecture (preferred) and/or Architecture; a postgraduate qualification and/or professional Landscape registration or certification would be an advantage.
- A minimum of 10 years of landscape architectural design experience, including leading projects from concept through design development and delivery.
- An outstanding portfolio demonstrating originality, design excellence, strong conceptual design skills, and clear personal contributions, including the ability to translate compelling design narratives into thoughtful, context-sensitive landscape solutions.
- A genuine passion for landscape architecture, with a creative, inquisitive, and self-motivated approach.
- Excellent interpersonal and organisational skills, with the ability to build strong client relationships and liaise effectively with TOWNLAND's local and regional directors on design direction, project delivery, and team coordination.
- Advanced digital design and graphic communication skills, including proficiency in AutoCAD, SketchUp, and Adobe Creative Suite; experience with D5 Render, Rhino, Grasshopper, and/or Revit would be an advantage.
- Excellent written and spoken English; overseas professional exposure or international project experience would be an advantage.
- Willingness to travel domestically and internationally and represent TOWNLAND at professional conferences, seminars, and events.

This is an excellent opportunity to be part of a growing International team of talented designers and planners on a range of exciting project opportunities in Indonesia and the Region. We offer a competitive financial reward, solid career advancement and the opportunity to work on a wide variety of challenging and interesting Projects within a collegial team of international planners and designers. You will receive valuable international experience in a dynamic region and the opportunity to be a core member within a success driven Company. current Interested Candidates, please send your full resume with details of qualifications, portfolio, availability, and recruitmentjkt@townland.com
